**PETITION FOR NEW OFFICE ACTION UNDER 37 C.F.R. 1.181 AND  
WITHDRAWAL OF HOLDING OF ABANDONMENT**

Sir:

In response to the abandonment of the above-identified application, and in accordance with Delgar, Inc., v. Schuyler (172 USPQ 513) (DDC 1971) and MPEP § 711.03(c), page 700-92, second column (Ed. 7, July 1998), Applicant hereby petitions for a new Office Action and for withdrawal of the holding of abandonment.

After a routine file review due to inactivity of this matter, a Status Inquiry and a Change of Address were filed in the Patent Office on November 12, 2004 (Exhibit 1).

A follow-up status search on our newly activated access to the private PAIR system performed on November 23, 2004, indicated that a Notice of Abandonment was allegedly mailed on September 3, 2004, and that the file was abandoned "for Failure to Respond to Office Action." The File History on the PAIR system (Exhibit 2) indicates that a Non-Final Rejection was mailed on November 19, 2003. The File History also reflects a Correspondence Address Change on September 5, 2000. However, Applicant has not

received any communication from the U.S. Patent and Trademark Office (PTO) since receipt of the Recordation of Assignment on September 19, 2000.

Accompanying this Petition is the Declaration of Mary C. Gibb, Manager of the Docketing Department in the undersigned's law firm. As set forth in that Declaration, Ms. Gibb, in her capacity as Manager of the Docketing Department, is intimately familiar with all of the details regarding the processing of mail received in the Docketing Department, including correspondence received from the PTO. Attached to the Declaration is supporting documentation (Exhibits A and B) showing that no Office Action in the subject application was processed by the Docketing Department or received by the undersigned's law firm.

Further, attached as Exhibit C to the Declaration of Ms. Gibb is a copy of the front cover of the subject application file jacket maintained by the undersigned's law firm. It should be noted that the file jacket cover shows the chronological sequence of correspondence between the undersigned's law firm and the PTO. As noted on the cover, the application was filed on July 14, 2000, with Declaration. There is no indication of receipt of any Office Action by the undersigned's law firm.

Exhibits A and B are copies of the docket record showing all actions due by the firm of McGinn & Gibb, PLLC, at and around the alleged due date of February 19, 2004, and Exhibit C is the file jacket cover. This evidence is acceptable proof of non-receipt as provided by 1156 O.G. 53.

It is noted that change of address forms for our customer number were filed on October 24, 2000, October 31, 2000, November 13, 2001, and March 27, 2002, copies of which are attached hereto as Exhibits 3-6, as well as copies of two follow-up

acknowledgments received from the PTO, dated October 25, 2000, and November 16, 2001, respectively (Exhibits 7 and 8).

Further, a 89-page Correspondence Address Indication Form listing applications being handled by this firm and linking our Customer No. 21254 with our current address (8321 Old Courthouse Road, Suite 200, Vienna, VA 22182-3817) was filed in the PTO on December 4, 2003. A copy of the page of said Form which included the above-identified application and a copy of the stamped postcard filing receipt are attached as Exhibit 9.

It is also noted that numerous Change of Address Orders have been filed with the U.S. Postal Service. The most recent Change of Address Order prepared on October 8, 2003 (Exhibit 10), was effective until November 2004, and receipt thereof was confirmed by the Postal Service.

The undersigned has been associated with McGinn & Gibb, PLLC, for a number of years, and in that time has been able to rely on the performance of the Docketing Department to provide conscientious, reliable, and competent notice of due dates for responses to correspondence received from the PTO. Based on the undersigned's familiarity with the good work performed by the employees of the Docketing Department, it is respectfully submitted that the only reasonable conclusion is that no Office Action was ever received by the undersigned's law firm for the above-identified application.

Further, in accordance with MPEP § 707.13, if the Office Action was mailed to our former address and returned to the PTO, the Examiner should have used "every reasonable means to ascertain the correct address and forward the action again." The Examiner could have quickly ascertained the correct address in a number of ways including, but not limited

to, the associated customer number and the undersigned's registration number. In addition, the inventor and/or assignee were not informed of the returned action.

Pursuant to the above-noted association with Customer No. 21254, numerous changes of address for the customer number, numerous changes of address with the Postal Service, and detailed description of docket record provided in the Declaration of Ms. Gibb and copy of file jacket cover, which are believed to satisfy fully the requirements set forth in MPEP § 711.03(c) and 1156 O.G. 53, and the lack of adherence to MPEP § 707.13, Applicant respectfully requests that a new Office Action be sent in the subject application and that the holding of abandonment be withdrawn.

Since this error is due to the U.S. Patent and Trademark Office, no fee is believed necessary. Please charge any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 50-0481.

Respectfully submitted,

Honorable Commissioner of Patents

**DECLARATION OF MARY C. GIBB**

Sir:

I, Mary C. Gibb, hereby declare as follows:

1. I am Manager of the Docketing Department of the law firm of McGinn & Gibb, PLLC.
2. My duties as Manager of the Docketing Department require me to be intimately familiar with how the firm handles the mail, facsimile, and courier packages which arrive at McGinn & Gibb, PLLC.
3. Each business day (Monday-Friday), McGinn & Gibb, PLLC, receives a large volume of correspondence from the U.S. Patent and Trademark Office (PTO). That correspondence relates to patent and trademark applications being handled by McGinn & Gibb, PLLC, and includes Office Actions. Generally, since McGinn & Gibb, PLLC, is located in Vienna, Virginia, PTO correspondence is received by the law firm within one or two business days after the PTO mailing date, although sometimes it takes longer. All mail is

received in the Docketing Department, including PTO correspondence. The PTO correspondence is handled as follows.

4. An individual employed in the Docketing Department of McGinn & Gibb, PLLC, receives all pieces of PTO correspondence before they are opened. That same individual opens each piece of correspondence from the PTO one at a time.

5. As the PTO correspondence is opened, an entry is made by that same individual by hand, in a docket book, for each such piece of correspondence requiring a response to be provided to the PTO by a certain due date. For example, an Office Action must be answered within the response time specified therein (within one, two or three months of the mailing date), and so an entry would be made in the docket book on a due date for the required period of time for the Office Action and also six months after the mailing date of the Office Action (the non-extendable date). Attached as Exhibit A to my Declaration are copies of the pages of the docket book for items having a due date of December 19, 2003, January 19, 2004, and February 19, 2004 (one, two and three months from the alleged mailing date of the Office Action), as well as that of May 19, 2004 (six months, the last and non-extendable date). As can be seen from Exhibit A, there is no entry for the above-identified application, indicating that the Office Action in question was never received by McGinn & Gibb, PLLC.

6. Once the PTO Office Action received on a given date has been manually entered in the docket book as above described, the appropriate file for the PTO Office Action is pulled and matched up to that Office Action. The appropriate file and the PTO Office

Action is then given to the secretary to the attorney responsible for handling the file. The secretary then enters the PTO Office Action and the response due date in the secretary's docket book and on the front cover of the application file jacket.

7. On a weekly basis, a docket of cases due that week and the pertinent response due dates is given to each attorney and staff employee at McGinn & Gibb, PLLC. This docket is then double-checked with the docket maintained by the secretary. I have reviewed these docket lists, and there is no entry for the above-identified application. Attached as Exhibit B to my Declaration are copies of the lists of the submitted cases due the weeks of December 14-20, 2003, January 14-21, 2004, and February 15-21, 2004, and May 16-22, 2004. As can be seen from Exhibit B, there is no entry relating to a PTO mailing of an Office Action in connection with the above-identified application.

8. Further, Exhibit C is a copy of the front cover of the file jacket of the subject application. It should be noted that the file jacket front cover shows the chronological sequence of correspondence between the law firm and the PTO. The left side of the front cover is filled in by the Attorney's secretary as Actions are received and docketed. The right side is filled in by the Attorney's secretary as the Actions are completed. As shown, there is no evidence showing an Office Action was ever received.

9. Based on my review of Exhibits A-C, and on my personal knowledge of the procedures followed by McGinn & Gibb, PLLC, in the Docketing Department for handling PTO Office Actions, I conclude that no Office Action was received by McGinn & Gibb, PLLC, for the above-identified application.

10. To date, the Notice of Abandonment allegedly mailed on September 3, 2004, has not been received by McGinn & Gibb, PLLC.

Further Declarant saith not.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
